

The Pure and Applied Macromolecular Chemistry Group (Macro Group UK) is a joint interest group of the Royal Society of Chemistry and the Society of Chemical Industry. It is committed to holding meetings to support and develop the polymer science community.

The Macro Group UK Young Researchers Meeting gives PhD students and post-doctoral fellows the chance to present their work in oral and poster sessions, be inspired by plenary speakers from academia and industry, and network with their peers from across the UK.

Almost all senior academics in the areas of polymer and macromolecular science in the UK have attended these conferences as PhDs, PDRAs and/or early career lecturers.

With support from our sponsors the MacroGroup UK Young Researchers meeting will be held at the University of Kent in Canterbury on **Monday July 1<sup>st</sup> and Tuesday 2<sup>nd</sup>** this year.

**Registration cost: £80**

**Accommodation: £45.75**

Registration and accommodation bookings will be available from 1st April at
